NOTE: This schedule subject to change

Thank you for allowing me to serve as your alderman in 2017.

On the reverse you'll find our 2018 ward meeting schedule. Meetings are being held at three locations and three different times to allow residents to:

- Share common goals and issues.
- Learn about other neighborhoods.
- Meet the needs of busy schedules.

Please join us for city business updates, special guests and conversation in 2018.
